

**Fight For
American Ideals**

WE ARE IN THE MIDST OF another battle—a battle of

- ● ideals.
- ● you are in it whether you will or not
- ● you are for Truth or against it
- ● there is no neutrality in this battle
- ● doing nothing in this conflict you fight FOR your enemy.

YOU must defend yourself

- ● you need help—lots of it
- ● your foe is trained, wily, fanatical
- ● he has been fighting for 100 years
- ● alone you won't conquer him.

You Can Win If You Want To

Your Enemy Is Fascism—

Red Fascism—far older and crueller than the recently defeated varieties. . . .

Red Fascism—slavery for 170,000,000 Russians under 2,000,000 Bolsheviks.

Red Fascism—destroyer of Estonia, Latvia, Lithuania, Poland, Hungary, Rumania, Bulgaria, Yugoslavia, Albania, Outer Mongolia and Northern China.

Red Fascism—greediest imperialist and slave master in centuries. . . .

Red Fascism—false democracy that spews accusations at democratic freemen. . . .

Red Fascism—dripping with the blood of millions of its innocent victims. . . .

Red Fascism—would-be despoiler of your home, your job, your freedom. . . .

Red Fascism—traitorous plotter in Europe, Asia, America, your homeland.

Red Fascism—piercing the heart of Peace.

Red Fascism—scourge of the world. . . .

Red Fascism—your personal enemy

A BITTER FOE IS YOURS

To combat him is bewildering. Alone you can do little against him.

You need not be alone.

At your side is the Roman Catholic Church, mortal foe of atheistic Communism—Red Fascism. For decades its leaders have denounced the false, fear-some teachings of Communism and have exposed its perils for all to see. Join these leaders of the Church as they battle to preserve your freedom.

ARMY FOR FREEDOM

Align yourself with a group that is leading the fight against Red Fascism. Enlist in the Knights of Columbus—a courageous army of Catholic men who refuse to be cowed by this world-wide force for destruction. Gird yourself with the weapons of Truth and Justice so that you can engage in a victorious warfare for God and Country.

Pattern your life on our inspired lessons of Charity, Unity, Fraternity and Patriotism. With these lessons fight Red Fascism for your freedom.

Knights of Columbus Fight Red Fascism

The Knights of Columbus has led a heroic fight against Red Fascism.

As early as 1904, when our members were counted only in tens of thousands, we established at the Catholic University of America an endowment of \$50,000 for a Chair in American History to counteract false teachings.

In 1913 our Order organized bands of speakers to lecture on the dangers of Bolshevism and Socialism before our councils and communities in all sections of the continent.

Notable volumes on American History were published as a result of our prize competition for authors in 1921.

MILLIONS FOR TRUTH

While Communism held control of Mexico we spent more than \$1,000,000 to tell the American people the truth about the revolution and to aid the Mexican clergy and laity exiled by the Red hordes from their homeland.

Some \$65,000 has been granted by our Order to assist the patriotic and religious efforts of Catholic Radio Hours in the United States and Canada.

Millions of copies of the Papal Encyclical on Atheistic Communism, of Cardinal Spellman's articles and Monsignor Sheen's addresses on the subject, and other patriotic publications have been distributed free to the public.

OUR WEAPONS

We sponsored on hundreds of radio stations a series of six broadcasts on the battle of America versus Red Fascism.

We now have a new radio series on Fundamentals of American Democracy.

In lively Discussion Groups in their own councils, Knights of Columbus learn the truth about the freedom-destroying practices of Communism.

Our members have given gallant support to our Church and society in spreading the facts about Red Fascism in all its forms. They have been the worthy crusaders of the world in this conflict.

A challenging place awaits you among these warriors for Truth, Justice, Freedom and Peace.

You will be glad that you accepted this invitation to join our ranks.
