FIRST

Past Grand Knights Night

APRIL 11, 1918

Thirty-six years ago Hon. C. T. Driscoll presided over the meetings of San Salvador Council as its first Grand Knight. On Thursday evening, April 11th, 1918, he will again take up the gavel of our Council. With him also will appear the living Past Grand Knights of Number One. Not only will they be present on this date, but the honors of the first degree will be conferred upon a class of candidates by a degree team composed of former Grand Knights of the Council. It will thus be possible for each and every member to once again observe his favorite in action. The meeting will commence promptly at 8.15 to enable some of the Past Grand Knights to take an early car for home. The meeting place will be 139 Orange Street, just a few doors north of Chapel Street, within easy access of all transportation. Each and every member of the Order is cordially invited to attend, as this event is of a most momentous and historical importance. A picture of the Past and Present Grand Knights of the Council is to be presented on this occasion to San Salvador, to be hung in the club house. Every living Grand Knight is in this picture—21 in all. Brother E. C. Lyons came from Newark, N. J., and Brother J. H. Griffin traveled 230 miles, from Cohoes, N. Y., to make this picture complete. This well represents the spirit of self-sacrifice which is rampant in every former presiding officer of our Council, and augurs well for the success of the First Past Grand Knights Night. Fortunate, indeed, will be those who can attend. Don't forget, **APRIL 11, 1918.**
